As board member of Gutmann Kapitalanlageaktiengesellschaft (KAG), a wholly owned subsidiary of Bank Gutmann AG, Christoph Olbrich will be jointly responsible for business development at the investment products and fund solutions specialist together with Harald Latzko, Thomas Neuhold and Jörg Strasser.

Gutmann KAG offers customised fund solutions and currently manages 165 investment funds with total assets of approximately 10 billion euros. Olbrich's focus will be on the implementation and structuring of Gutmann KAG's equity strategies.

Frank W. Lippitt, Partner and Chief Executive Officer of Bank Gutmann: *"As a leading private bank, our aim is to preserve what has stood the test of time and promote new developments for the benefit of our clients. As a long-standing employee, with an excellent track record Christoph Olbrich will bring to the board of management of Gutmann KAG not only his skills as an investment professional, but also his expertise in the field of digitalisation."*

Christoph Olbrich

Christoph Olbrich, CFA, is a graduate of the business administration and international business administration degree programmes of the Vienna University of Economics and Business and École de Management de Bordeaux. In addition, he trained as a Chartered Financial Analyst (CFA) and took part in the INSEAD Advanced Asset Management Program in Singapore as well as the INSEAD Advanced Management Program in Fontainebleau, France.

Born in Vienna, he started his career in an Eastern European fund and risk management of an Austrian fund company, before joining Gutmann KAG in 2007, where he has been Head of Equity Fund Management since 2014. His main responsibilities are the implementation and structuring of Gutmann KAG's equity strategies. Christoph Olbrich is married and father of a daughter.
